

Basic Scrub Cap

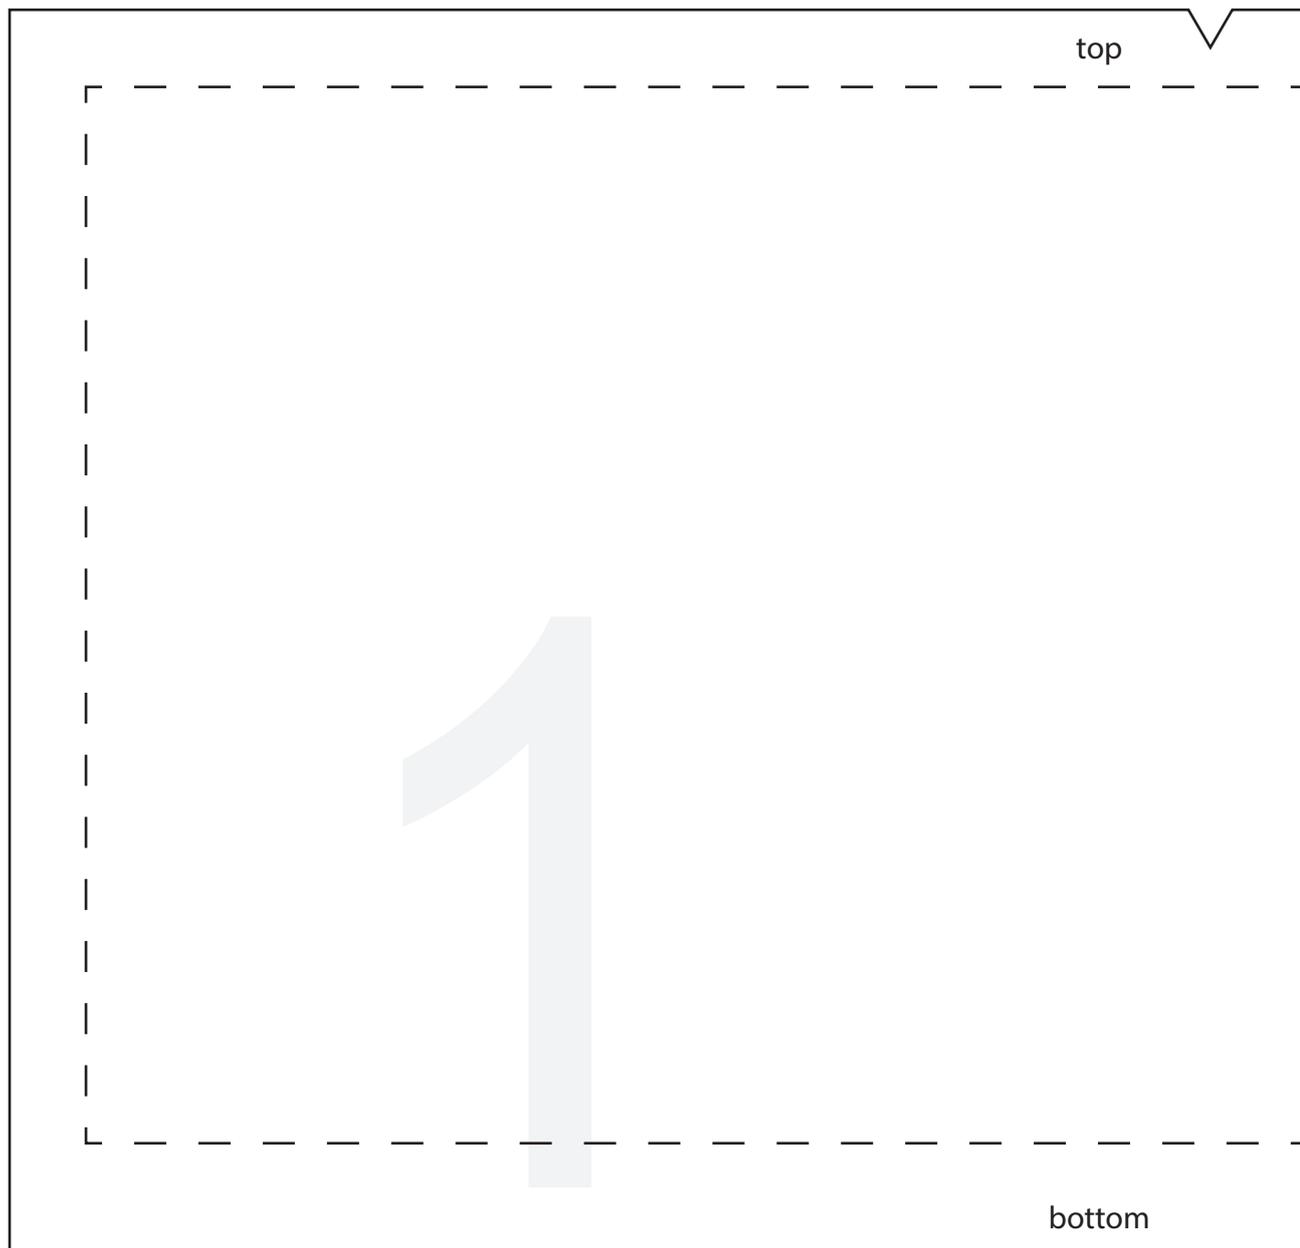

Pattern made by Ali S
29/03/2020

Print Instructions:

When Printing, make sure scaling is at 100% or set to "Do Not Scale"

Pages dont overlap- align joining pieces next to each other and tape together

*Cut piece of 10mm elastic 15cm long unstretched

Sew Instructions:

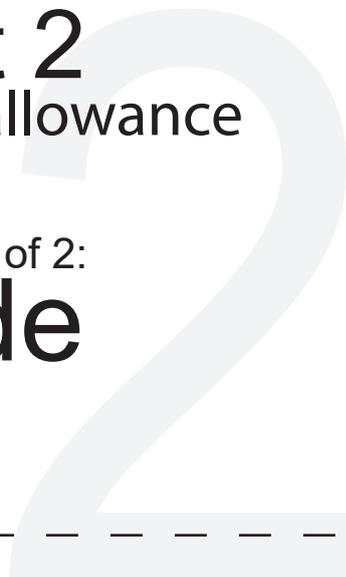

1. Sew both side seams together.
2. Overlock side seams and hem
3. Press seams & 1.5cm hem allowance, ready for stitching
4. stretch out elastic evenly at centre back (stretch to approx 20-25cm),
stitch down in centre & both ends
5. stitch hem
6. stitch top to sides (matching notches on top to notches and
seams on the sides to keep the curve even)
7. Overlock top seam & press
